

COVID 19 – Hockey Canada/HEO Cancellation Enquiries

HEO is working diligently with Hockey Canada and local health organizations on continuous information surrounding this Pandemic. We know that there are many questions surrounding this very fluid situation. We will be sending information bulletins to all of our Minor Hockey Associations and Leagues on a regular basis but we understand that this information may not make it into everyone's hands.

If you have any questions pertaining to this situation, please direct them to info@hockeysternontario.ca and we will endeavour to reply as quickly as possible. We may need to seek other sources for a response to your enquiry so we ask that you remain patient as this is an ever evolving situation.

Thank you to all of our members for your understanding and patience as we navigate through this.
