4.0 General Playing Rules (Four-on-Four)

The rules for half-ice U9 game play focus on player development by maximizing opportunities to touch the puck, interact with other players, and make plays.

- 4.1** 4 vs 4 player format and one goaltender for each team.
- 4.2** Each team must have two goaltenders, one for each half of the ice.
- 4.3** Three-minute warm-up.
- 4.4** Rink set-up: one set of barriers or two sets of barriers with a space in between for spare players.
- 4.5** Game length – 50 minutes in total (46 minutes post warm-up). This may vary if Associations schedule multiple blocks of ice time.
- 4.6** Two 23-minute halves.
- 4.7** Shift length – 90 seconds in duration with an automatic buzzer or whistle sounding to indicate player change. The clock continues to run through the 23-minute half.
- 4.8** Both games synchronized, and officials work together to ensure that happens.
- 4.9** Players change on the fly at the buzzer or whistle.
- 4.10** If there are fewer than four players on the bench, the active player designated to stay out for the following shift must tag up at the bench prior to continuing play.
- 4.11** Two face-offs during the game.
 - 4.11.1 The first face-off will start the game.
 - 4.11.2 The second face-off will start the second half.
 - 4.11.3 There is no requirement that teams change ends.

5.0 Shifts

- 5.1** Player shifts are 90 seconds in length. A buzzer or whistle sounds to signal line changes.
- 5.2** On the buzzer/whistle sounds, players must relinquish control of the puck immediately and vacate the ice. The new players enter the ice immediately.
- 5.3** Failure to immediately relinquish control of the puck or new players entering the ice surface prematurely may result in a penalty for the offending team.

6.0 Change of Possession

- 6.1** Goaltender freezes the puck – the official blows the whistle to indicate the attacking team backs off and defending team gets possession.
- 6.2** Puck shot out of play – the offending team backs off and the official gives the non-offending team a new puck.

7.0 Officiating

- 7.1** One official per game. Coaches/Trainers must remain on the bench.

8.0 Penalties

- 8.1** Minor penalties are noted with the official briefly raising their arm to indicate a penalty will be assessed. The referee will blow their whistle and immediately escort the player to the player's bench. The official notifies the coach of the infraction and the number of the offending player.
- 8.2** If the offending team controls the puck after the infraction, the official blows the whistle and calls for a change of possession; the non-offending team is given room to play the puck (three-metre cushion).
- 8.3** The offending player will sit out the balance of the current shift and the next shift, but the team will play even strength.
- 8.4** Should an infraction occur, that would normally require a player to be ejected from the game (game misconduct, gross misconduct, or match penalty), the player will be removed from the remainder of that game. Even under these circumstances, teams will not play shorthanded.
- 8.5** For major penalties assessed to players and bench staff, the HEO Minor Code of Discipline will apply.

9.0 Scoring

- 9.1** Game scores will not be recorded. Game sheets shall be used to capture major penalties to players or bench staff in-game.
- 9.2** During the Transition Phase (note section 3.4), game scores for exhibition and league play will not be recorded. Game sheets shall be used to capture penalties to players and bench staff in-game.

10.0 Out-of-Branch Sanctioned Events (Jamborees, Tournaments etc.)

- 10.1** Teams will only be permitted to participate in sanctioned out-of-Branch events (requiring travel permits) only if the playing rules for all games for the event are half-ice, four-on-four format.
- 10.2** Teams may participate in one (1) full ice out-of-Branch tournament after March 1 (note section 3.4 Transition Phase)
