

Call for expression of interest for Director appointments (2) to the HEO Board.

We are seeking two candidates for the Board of the HEO Not-For-Profit Corporation for the 2023-24 season. The Board is responsible for policy and procedure development, and management of the Corporation. Directors must meet minimum eligibility requirements, and be free of conflicts of interest with 30 days of taking office.

As a priority, HEO is seeking candidates from under-represented groups. We encourage candidates from these groups to express interest in being considered for appointment to the HEO Board.

We would also like to encourage millennials and Gen Z'ers to consider applying for appointment to the HEO Board.

Lastly, we are looking for marketing and media relations skill sets to strengthen our current Board profile

Please send your CV and the Skills Profile to HEO Executive Director Debbie Rambeau at drambeau@hockeyeasternontario.ca by September 13, 2024
